Project Information

Please provide information about the project you want to apply for the Stud Fund. Take the questions below as starting point. You can also attach a brochure, flyer, poster of something fun with your application on the application page to make it more clear.

Description of your project	What is your project about?
Target of your project	What is the goal of your project?
Target group	What is the targetgroup of your project?
Organisation	How many (TU-)students do you want to reach?Who is responsible for the coördination and execution of the project?
Scope	For which aspect are you looking for funding?
Motivation	Why does the Stud Fund need to support your project?
Amount	For what amount of fund will you apply (ex. VAT)?
Spending	For what specific part will you be using the fund?
Reciprocity	What can the Stud Fund expect in return?
Innovation	If this is not the first time you are applying, what are the innovations compared to the last request?

Take into account the space limit of the next fillable pages.
